

Nissan Forklift

Nissan takes great delight in attaining overall client satisfaction, when their customer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with strong processing principals, Nissan Forklifts provide many of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the company has four distinct manufacturing facilities that permit them to continually adapt to their consumers continually evolving wishes by offering a range of innovative ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, fashioning, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and procedures that minimize their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their customers insist upon while being an environmentally responsive organization.

Nissan is certain that they will be capable of addressing any client queries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
